

Pre-Match Traffic Management on Pride Park

Important information: A52 roadworks

Planning your travel to Pride Park

- From the start of the 2019/20 football season the west-bound entry and exit slip roads from the A52 into the Wyvern area are closed for major improvement works.
- We anticipate local roads may be busier than usual, so please plan your journey in advance and allow extra time to get to the stadium.
- Derwent Parade will be closed as usual, between islands 1 and 2 for up to 20 minutes before each home game to ensure pedestrian safety.

Travelling away from the stadium by car:

- Ensure you follow signed diversions from the A52.
- Vehicles travelling Westbound on the A52 (from M1/Nottingham) should continue towards the Pentagon Island and proceed to the stadium via Pride Parkway (A6).

Travelling on foot:

- The Wyvern footbridge is also closed for refurbishment, please use the Highfield Lane footbridge to cross the A52.

For further information about the A52 road closures and Matchday travel please visit:
